Charge Accounts Have Been
Discontinued By The Business
Office with a very few exceptions.
Students who do have charge cards
from the Business Office should
present them at the Cash Register
in the rear of the store. This
includes students with FORD
allowances.

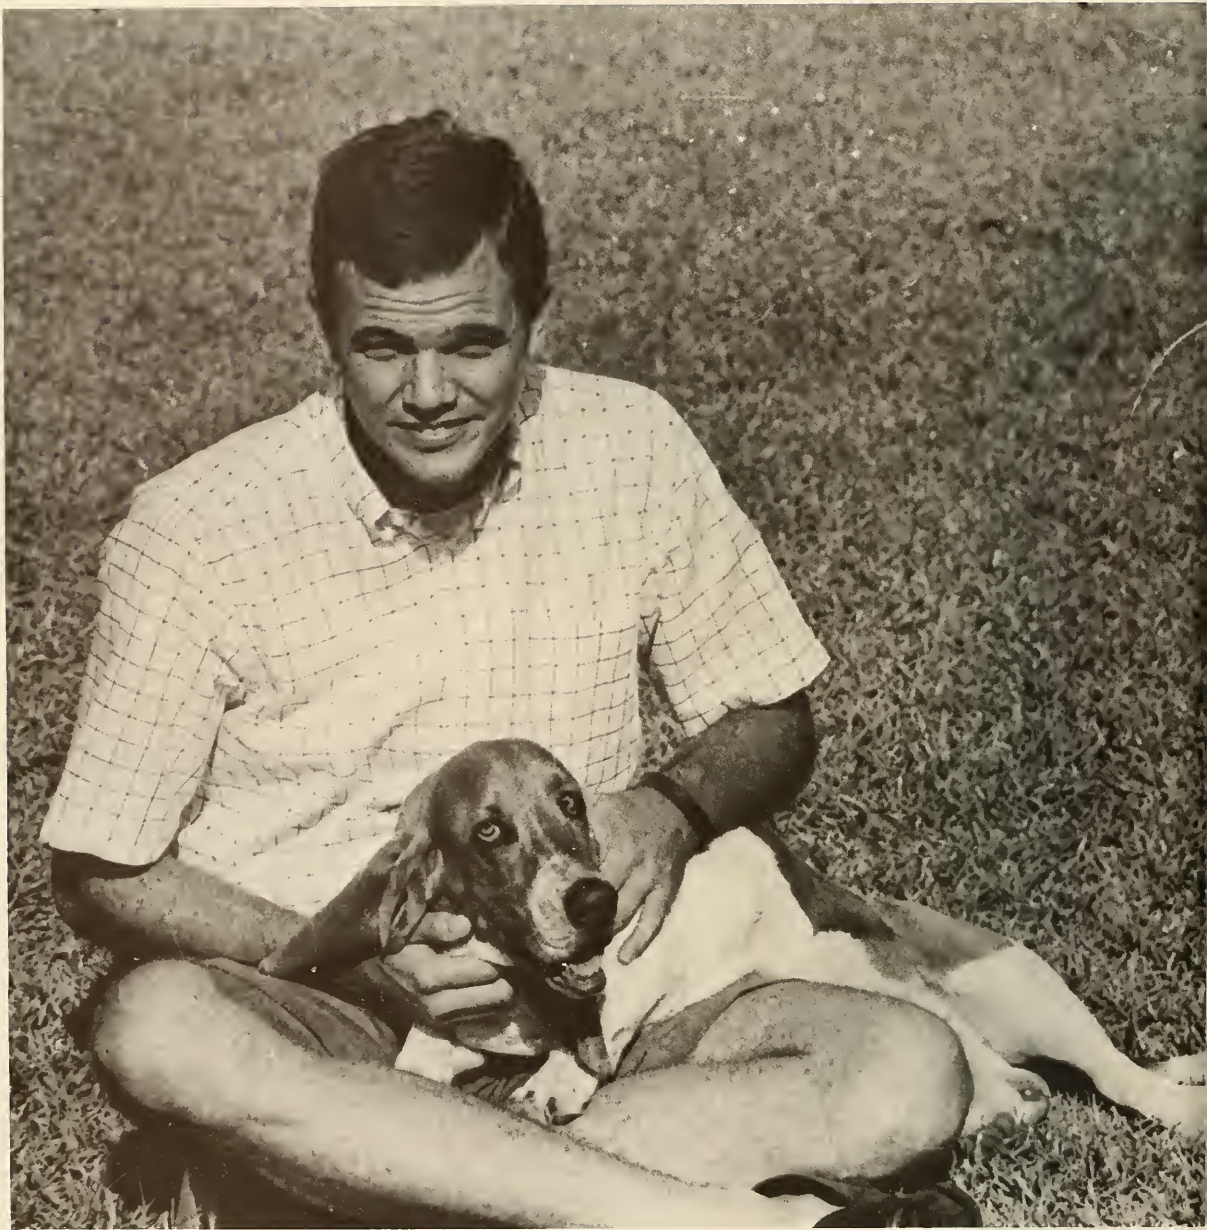

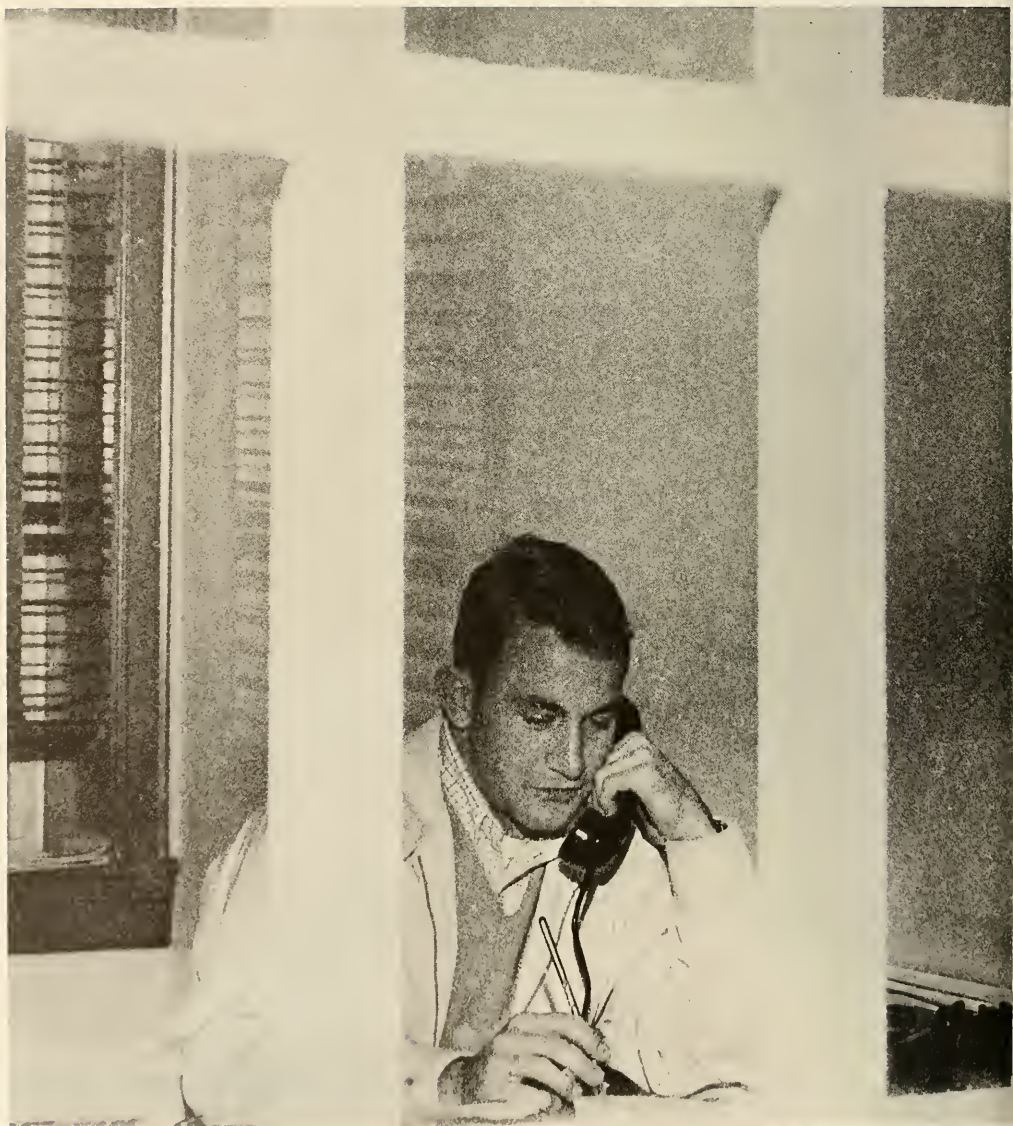

. . . yesterday is but today's memory and tomorrow is today's dream.

Women's intramurals on the Stetson campus provide an opportunity for participation in a wide variety of sports throughout the year. Among these are tennis, basketball, volleyball, softball, and badminton. An annual Posture contest is also sponsored.

The intramural program is under the direction of the Women's Intramural Board, composed of representatives from Greek organizations and the women's dorms. Awards are given each year for participation, placement in each sport, and total points accumulated.

There are days when it is the greatest job in the world. Then there are days when it just doesn't seem worth it. You really wonder if anyone cares but the University Budget Committee. Then comes a time when it is so close to being finished that you are sad about getting through. You think of all the people who have always been there and wonder why you ever felt so alone. Your only hope is that the people who won't like your efforts will at least appreciate the fact that you tried.

After months, weeks, hours—you end as you began saying, "Thank you, David."
